The Connecticut Chapter of the Appraisal Institute is seeking sponsors from fellow appraisers, members of financial institutions, real estate companies, attorneys, accountants, and other companies interested in real estate that are active in the Connecticut market.

The Appraisal Institute is the preeminent organization, worldwide in the area of real property valuation and analysis. Through the Appraisal Institute, a body of knowledge and practice has developed over the past 85 years since the inception of the organization and its predecessor organizations. To continue that effort and help bring new members into the practice of real estate analysis, the Appraisal Institute and its local Connecticut Chapter fosters education and professional development as well as timely information forums.

Sponsorships support and aid the Connecticut Chapter of the Appraisal Institute to continue this process, which is valuable to all real estate practitioners and disciplines active in Connecticut. Your sponsorship will help ensure the continuance of our educational offerings and seminars, by helping to defray the chapter's scholarship and operating costs.

The Connecticut Chapter of the Appraisal Institute has three levels of sponsorship: SILVER at \$100.00, GOLD at \$250.00 and PLATINUM at \$500.00. Description of Sponsorship Program levels and benefit inclusions are shown on the following page.

I encourage all of you to support The Connecticut Chapter of the Appraisal Institute. Your generosity and support will ensure continued success for the real estate appraisal profession.

Sincerely,

Peter Vimini
