CHAPTER PRESIDENTS' MESSAGE

As we near the mid-point in the calendar year, I encourage our members to avail themselves to the chapter developed educational offerings scheduled in the 3^d and 4th quarters.

Our newest designee, Robert Reicher, Jr., MAI, is yet another reminder to chapter candidates of the prize that awaits your continued hard work and dedication – you're farther up the hill than you think! I would encourage candidates to reach out to your advisors in the coming weeks to plan a course to meet this year's goals.

Many thanks to the members serving as officers and on our board and various committees this year. We can always use more volunteers – a great way to serve your chapter and also get to make new friends with some colleagues.

On the legislative front, I am pleased our efforts in 2015 have met with similar success as in years past. Special thanks to our legislative committee for the countless hours they spent soliciting donations and leading the charge in Hartford. Hats off to all who made a donation to this year's cause. Contributions are still being tallied. For those who have pledged to donate, your consideration would be greatly appreciated.

Wishing you a happy summer season –

Rey Archambault, SRA
